The Outdoor Education Center

Composed of 1,500 wooded acres, the Yale Outdoor Education Center (OEC) is nestled on the south shore of pristine mile-long Powers Lake. The OEC is located in East Lyme, Connecticut, only 42 miles east of New Haven off I-95 North.

Visiting

Come for the day or every day all summer! By the day, adults pay \$12, children age 6-12 years \$6; just show your Yale ID at the check-in station. Seasonal memberships are sold from the New Haven office or by mailing in the application.

Cabins & Campsites

Nine rustic, lakeside cabins and nine secluded campsites are available for summer rental. Cabins have a picnic table, grill, electricity, refrigerator, and small deck overlooking the lake; campsites include a picnic table and grill. A screened 12' x 16' Adirondack-style campsite shelter is available. Shower house for people staying overnight only. Cabin/campsite rentals require membership.

Swimming, Fishing & Boating

A large, H-shaped aluminum dock provides ideal swimming conditions in the lake, with lifeguards on duty. Nearby, a boat/fishing dock houses a small fleet of rowboats, kayaks, canoes, and paddleboards which are free of charge. Lifejackets are available and required.

Picnicking and Recreation

The OEC offers a lakeside grove with picnic tables and grills, grass and sand beaches, campfire ring*, clay volleyball court, custom-built horseshoe pits, small basketball court, recreation cabin with table tennis, and children's playground.

Group Party Facilities

Ideal for groups, the lakeside **Pavilion** is a large, open-air structure with oversize picnic tables. A grill with serving area is connected via a breezeway. A new 20' x 24' deck with seating and lake view fronts the pavilion. For a more private atmosphere, the rustic **Dining Hall**, situated on a hill, provides a spectacular panorama of the lake from a large deck. It's ideal for fancier occasions, such as wedding receptions or meetings, where weather and indoor seating are factors. The **Gazebo** is available for small groups of up to 25 people. The Gazebo is located at the water's edge, and has a large grill and picnic tables nearby. These facilities must be reserved.

Group Campsite

A large campsite for groups of up to 25 people. In addition to tent space, there is a big, screened-in Adirondack-style **Group Shelter** on the site. The site is removed from our family campsites, and contains a fire pit, oversize grill, large custom-built picnic tables, trash receptacles and two porto-potties. No alcohol allowed.
